Buyer shall provide Seller, upon request, with properly completed exemption certificates for any tax from which Buyer claims exemption for which Buyer will indemnify Seller for any inaccuracy therein. Seller may terminate this Contract on ten (10) days written notice if prevented from passing through to Buyer any tax or charge, whether or not of the same class or kind listed above. If Buyer fails to provide the appropriate exemption certificate, Buyer will remain liable for any such taxes.

ARTICLE 5. CREDIT; PAYMENT; SECURITY

If credit is extended, Seller at any time may revoke credit or modify the terms and conditions of future extensions of credit. Buyer agrees to pay all invoices within the stated terms and agrees to all terms contained in invoices supplied by Seller as may be amended from time to time. In the event payment is not timely made, Buyer also agrees to pay a time-price difference charge (service charge) of the lesser of 11/2% per month or (18% per annum) or the maximum lawful rate on all overdue amounts commencing the day after the due date, and to pay all collection costs incurred by Seller in enforcement of the terms and conditions of the Contract, including court

Seller shall not be obligated to release its security interest in the Product or any other collateral until all of Buyer's payment obligations to Seller are satisfied in full.

No remedy of Seller against Buyer is intended to be exclusive, but each remedy of Seller shall to the maximum extent allowed by law, be cumulative and in addition to any other remedy referred to herein or otherwise available to Seller. The exercise or beginning to exercise by Seller of any one or more remedies shall not preclude the simultaneous or later exercise by Seller of other remedies. All remedies of Seller shall, to the maximum extent allowed by law, survive any and all terminations of any agreements between Seller and Buyer. To the maximum extent allowed by law, no delay or failure on the part of Seller in exercising any right, remedy, power, or privilege of Seller shall operate as a waiver thereof. To the maximum extent allowed by law, any security granted by Buyer to Seller is intended to be a purchase money security interest.
